1. Fresh, high-quality fruits, vegetables, herbs, cut flowers, bedding plants, potted plants, and other agricultural products may be sold. All home-produced products (jams, jellies, baked goods, etc.) must comply with all State of Ohio cottage foods rules. See Cottage Foods Production Operation fact sheet bit.ly/3oHTcq3
2. Products must be grown or produced by the vendor in Ohio unless permission has been given by the Farm Market Manager or the Executive Director of the Bluffton Area Chamber of Commerce. The Vendor is responsible for notifying market management of any product not grown or produced by the vendor in writing either on the application form or by email prior to bringing the product to the market. We reserve the right to refuse or allow any product at the discretion of the market management. Vendors who grow and/or produce their own product will have priority over those who sell products made or grown elsewhere.
3. Vendors must clearly display the name of the farm or business and post prices for all items being sold, or individual products must be priced. All edible home-produced products must be individually labeled following cottage food rules. Products not grown or produced by the vendor must be clearly labeled where they were grown or produced.
4. Vendors must provide a certificate of insurance with a minimum \$300,000.00 liability before participating in the market. The certificate must be submitted by April 14, 2025, for full-year vendors (or Wednesday prior to attending the Market). Certificate holder is Bluffton Area Chamber of Commerce, PO Box 142, Bluffton, OH 45817. **HOWEVER, ALL DOCUMENTS MUST BE SENT TO OUR FARMER'S MARKET MANAGER EITHER BY EMAIL TO BLUFFTONFARMERSMARKET@EXPLOREBLUFFTON.COM OR MAILED TO GREG PROBST, 3463 SR 103, BLUFFTON, OH 45817. PAPERWORK SENT DIRECTLY TO THE CHAMBER OF COMMERCE WILL NOT BE ACCEPTED.** You will receive confirmation that your paperwork has been received within 2 days of the Farmers Market Manager receiving the documents. If you do not receive notification, contact the Farmers Market Manager.
5. The insured adult must be listed as an applicant and be present at the market with underage staff.
6. All vendors must describe products to be sold during the 2025 / 2026 Market Season on the registration form. As noted above (2.), items that are not grown or produced by the vendor must be noted on the form and will be subject to approval by market management. The Bluffton Area Chamber of Commerce reserves the right to inspect production and growing locations.
7. Vendors with products requiring refrigeration must provide their own refrigeration. They must also purchase a mobile food vendor license from the health department in the county where they reside.
8. The 2025 season will begin Saturday, May 3, 2025, and end Saturday, October 25, 2025. The market will be open from 8:00 a.m. until noon.
9. Fees for the 2025 Summer Market will be \$15.00 per week. **The full year discounted fee is \$270.00 if paid by April 14, 2025.** The annual fee secures a specific spot for the year. If you are unable to use your annual reservation for any reason, fees are not refundable. Make checks payable to Bluffton Area Chamber of Commerce. Weekly fees may be paid with cash or check at the market. The 2026 Winter Market fees will be \$15 per week. The Winter Market is First Come First Served. We are limited to 15 spots. No reserved spots are available.
10. Set up for the Summer Market begins at 7:15 a.m. Vendors are not permitted in the parking lot before that time. Cones will be placed on reserved spots and the remainder of spots will be on a first come, first served basis. Setup for the Winter Market will be determined by the location.

11. All Summer Market vendors must be set up by 8:00 a.m. and stay until noon. The same applies to the Winter Market but is subject to change based on the location of the market. Please see the manager if an emergency requires you to leave early.
12. Stands must be operated in a safe, sanitary, and neat manner.
 - Canopies may only be used if tied or weighted down. Vendors will be asked to remove unsecured canopies.
 - Sales areas must be clear of garbage. Sellers must clean their spaces after each market. Please leave the space as clean as you found it.
13. No smoking, vaping, or chewing tobacco in the vendor area. No pets in the vendor area.
14. Full Season Vendors who are unable to make a market day should contact the manager by email at blufftonfarmersmarket@explorebluffton.com or call 419-957-4676 no later than 6:00 p.m. on Friday so your space can be made available to another vendor for that day only. Seasonal Vendors who are not in your space by 7:45 a.m. may lose the space for that day and will be assigned an available space when you arrive at the market.
15. As always, a cordial attitude at the market and online is required. The success of the Market is based on your treatment of your customers and fellow vendors. Any problems or concerns should be brought to the market manager for resolution. Any mishandled disagreements between either vendors or customers may lead to a dismissal from the Market.
16. We value you as a market vendor and will work with you where possible. If you have a disagreement with the market management, there is a time and a place to resolve that disagreement. The market during operating hours is not that place. While the market is open, the Market Manager or his/her designee has the final say. A solution to the disagreement should be worked out after the market closes. In the event the issue cannot be resolved, you have the right to contact the Bluffton Area Chamber of Commerce to intervene and find a solution.

The market manager and the Bluffton Area Chamber of Commerce are here to help you with any issues.
